### **Space to Create... Virtual Office Solutions**

Our Virtual Office Solutions are an ideal way of presenting a highly professional face for your company. They are a cost effective and flexible option for new business ventures, home based businesses as well as national and regional companies wanting to promote a local presence but without the need of a physical office. You can immediately benefit from the high profile of the business centre and join the ever growing list of businesses that are doing business at No.3. Many of our options are at fixed all inclusive prices so you'll remain in total control of your monthly expenditure whilst enjoying the flexibility of no long term commitment. **Take a trial of our virtual services for 1 month for free. Worth up to £199.00!**

### **Space to Work...Office Solutions**

If you're looking for your first professional office or your business is growing and you need to relocate you've come to the right place! The Quadrant Business Centre offers fully furnished and serviced offices on a flexible basis from 1 person through to an office for 20. One monthly inclusive fee covers rent, service charge, business rates, reception services, comms and much more. Why not visit and view our facilities and meet the team that will be delivering a highly professional and welcoming client and visitor service to your business. **Take an office and receive up to £800.00 off your first month's fee!**

### **Space to Meet... Meeting Solutions**

Immediate meeting solutions available for a small brief meeting for 2 people up to a full day presentation for 45 delegates. With meeting guests that rebook time after time down to our convenient central location, highly impressive meeting services and the exceptional support of our meetings team isn't it time that you checked them out? **Book your first meeting solution and receive up to £100.00 off!**
